 U.S. Navy veteran · Founder & President, SEMAIS

**20 YEARS**

NAVY COMBAT SYSTEMS

**30+ KEYNOTES**

DELIVERED WORLDWIDE

**100% PLAIN LANGUAGE**

SPEAKS TO ALL GENRES

## ABOUT DEWAYNE HART

For twenty years, Dewayne Hart was directly accountable for the combat systems a U.S. Navy ship depends on when everything goes wrong. That is where he learned the difference between a security program that looks compliant on paper and one that holds up under real pressure.

As Founder & President of SEMAIS, the frameworks he hands an audience are running on live enterprise and federal engagements today — not archived case studies.

 **Trusted advisor to:** Department of Veterans Affairs · U.S. Army · U.S. Navy · PwC · Kaiser Permanente · Wells Fargo · Duke Energy

# SIGNATURE KEYNOTES

Each session tailored to your audience · 30, 60, or 90 minutes, or a half-day workshop

## AI Under Attack: How Executives Can Govern, Defend, and Win the AI Arms Race

**BOARDROOM & EXECUTIVE LEADERSHIP · 45–90 MIN**

AI gave adversaries machine speed. Proactive governance and executive decision-making frameworks to navigate cyber risk without stifling innovation.

✓ **Takeaway:** Turn security investments from a cost center into a core competitive advantage.

## Mission Ready: How to Build, Retain, and Lead Elite Cybersecurity Teams

**CISOS & SECURITY LEADERS · 45–90 MIN**

Tools don't win battles — people do. Battle-tested military leadership frameworks to solve the cyber talent gap, improve retention, and eliminate burnout.

✓ **Takeaway:** Bridge the communication gap between technical engineers and C-suite executives.

## The Insider Threat Within: Building a Human Firewall at Mission Speed

**ENTERPRISE ALL-HANDS & SUMMITS · 45–60 MIN**

Transform your workforce into your strongest defense layer by instilling a frontline defender mindset across all non-technical staff.

✓ **Takeaway:** Daily security habits that protect company assets without compromising productivity.
